### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: the prior art of record fails to show or suggest the head support comprising a strap adjustably mounted at each end of each of the substantially crescent shaped supports for holding the supports together at a preselected distance. The closest prior art, Danis '546, Curtiss '887, and Kofoed '184, disclose head support apparatus including straps; however, such straps are not adapted to hold support members at a preselected distance. The strap 122 of Danis is used as a handle. The strap 130 of Curtis is used for supporting the forehead. The straps 66 of Kofoed are used as a fastening device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
